I am requesting a waiver for FCC deadline of February 17, 2005 to file form 471 for funding year 8 (July 1, 2005 - June 30, 2006.)

The reason we are requesting this waiver is that I became ill in January and was not allowed to return to work until today. I was unable to file the 471 before I went on sick leave due to the 30 day wait window and thought that I would be able to complete the 471 upon my returning to work. Unfortunately, my illness did not allow me to return to work until today. That is when I discovered that I missed the deadline for filing.

Our 471 will only include phone service and telecommunication service. We will not be requesting internal connections or other services.

Thank you in advance for your careful consideration.
